

# THE TEXAS CONSERVATIVE VIEW

*Created and Supported by Conservative Texas Women*

Women are multi issue voters.

Women run corporations, schools, hospitals,  
court rooms... and families.

Our issues are safety in the workplace, less  
government in our lives, available jobs,  
stability for our families.

82% of attorneys who practice in our courts  
rate Republican judges Qualified /Well  
Qualified over their Democrat opponents.\*

## DEMOCRATS' 'WAR ON WOMEN' HAS BACKFIRED

“ Women are not single-issue voters.  
What real women want to talk about  
are the issues that touch their lives.”
